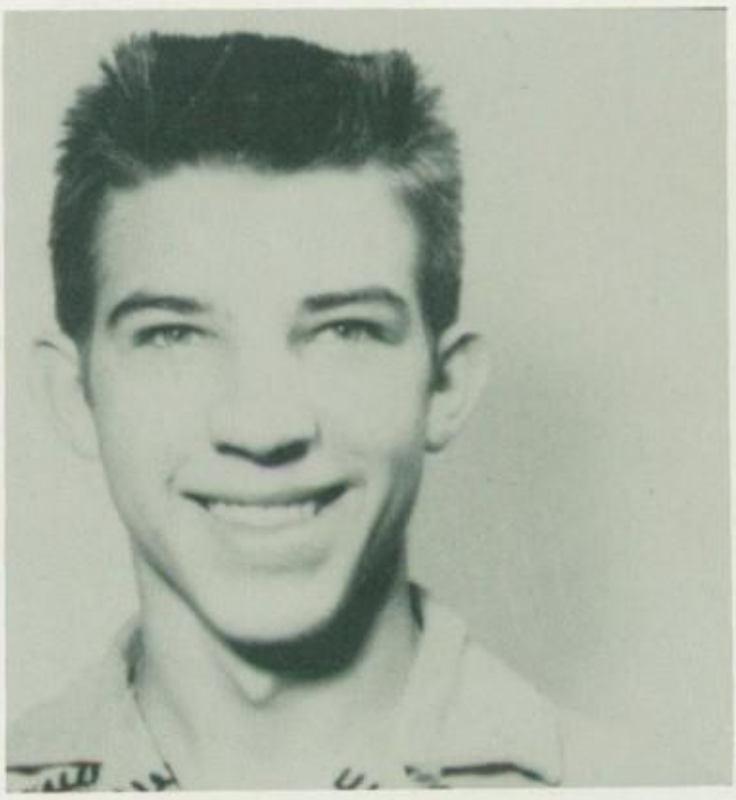
IN MEMORIAM

In memory of John Feeser whose death was a great loss to his friends in the student body.

John was a member of the senior class last year and was very active in track and cross-country.



In memory of Raymond Scott Miller, a Woodruff junior who died Sunday, March 24, at the Proctor Hospital.

Scotty, as he was known around school, was a member of the stage crew and did his last work with the group at the stunt show in mid-October.

He was born April 5, 1940, and was 16 years of age.

Fall Section

Shown above and below are some of Woodruff's enthusiastic students ready for our Homecoming game.

The chief and princess of our Pow Wow were Ken Clark and Joan Reinhart, shown here excepting the trophy from our president, Dixie Boardman, and our vice-president, Bill Kennell.

Homecoming

Stunt Shows

When 'Mridey Burphy' looked into the future, she found herself looking at a tropical island. The Woodruff Pirates had defeated the Spalding Pirates when Elvis Presley came on the scene and helped win the victory for the Juniors.

The Senior class had a very colorful stunt which took the audience to Louisiana to the Mardi Gras.

The 'Wizard of Oz' was the theme from which the Sophomores chose their stunt.

'A Gastronomical Feat' or 'How to Make the Irish Stew' takes you from a drugstore to Ireland. Here it was determined who made the best stew. This was the theme chosen by the Freshmen.

All School Play

MR. BARRY'S ETCHINGS

'Mr. Barry's Etchings'' was a hilarious comedy. It was about Mr. Barry, who counterfeited money with smiling faces. The production was directed by Mr. Paul Caywood.

The play had a very fine cast. It included Howard Peters, Sally Williamson, Sandy Byrne, Perry Brandt, Terry Kall, Pat Gouran, Barbara Woodruff, Jerry Ulrich, Gloria Hoepfner, Grant Logan, Carol Rhodes, Jackie Laidler, and Dan Sills.

Cross Country

The Woodruff High School cross country squad had an extremely successful season this year. The team made an outstanding record in this part of the state. In stare wide competition they made their usual successful showing by winning fifth place.

Individual honors were also won by speedster Bill Gillingham. Although only a sophomore, he captured second place in the running. We are confident that next year's squad will also make a good showing and uphold Woodruff's fine name.

For the second straight year, the team has won the city championship. The championship game was again against Manual. In tying the Rams, Woodruff was able to retain the city title for the second consecutive year.

With the Sophomore team being undefeated, untied, and unscored upon, the Warriors are looking forward to another terrific season.

Varsity Basketball

This year was a very sucessful one for the W.H.S. five. While losing ten, they won thirteen and went to the finals of the District Tournament.

Individual honors went to our great center, Bob Garretson. He came very near breaking the all time scoring record in the Peoria area by scoring forty-five points in a single game. He also set many other records, such as the game average over a three year period, and the greatest number of points in a single season.

The W.H.S. wrestling team was in the process of rebuilding this year. The team was composed mostly of freshmen and sophomores and therefore was gaining experience more than trying for titles. While winning five matches and drawing one they lost ten. The wrestling team was represented in state competition by Bob Vilt. Coach Gross is expecting a successful season next year because of the experience gained this year.

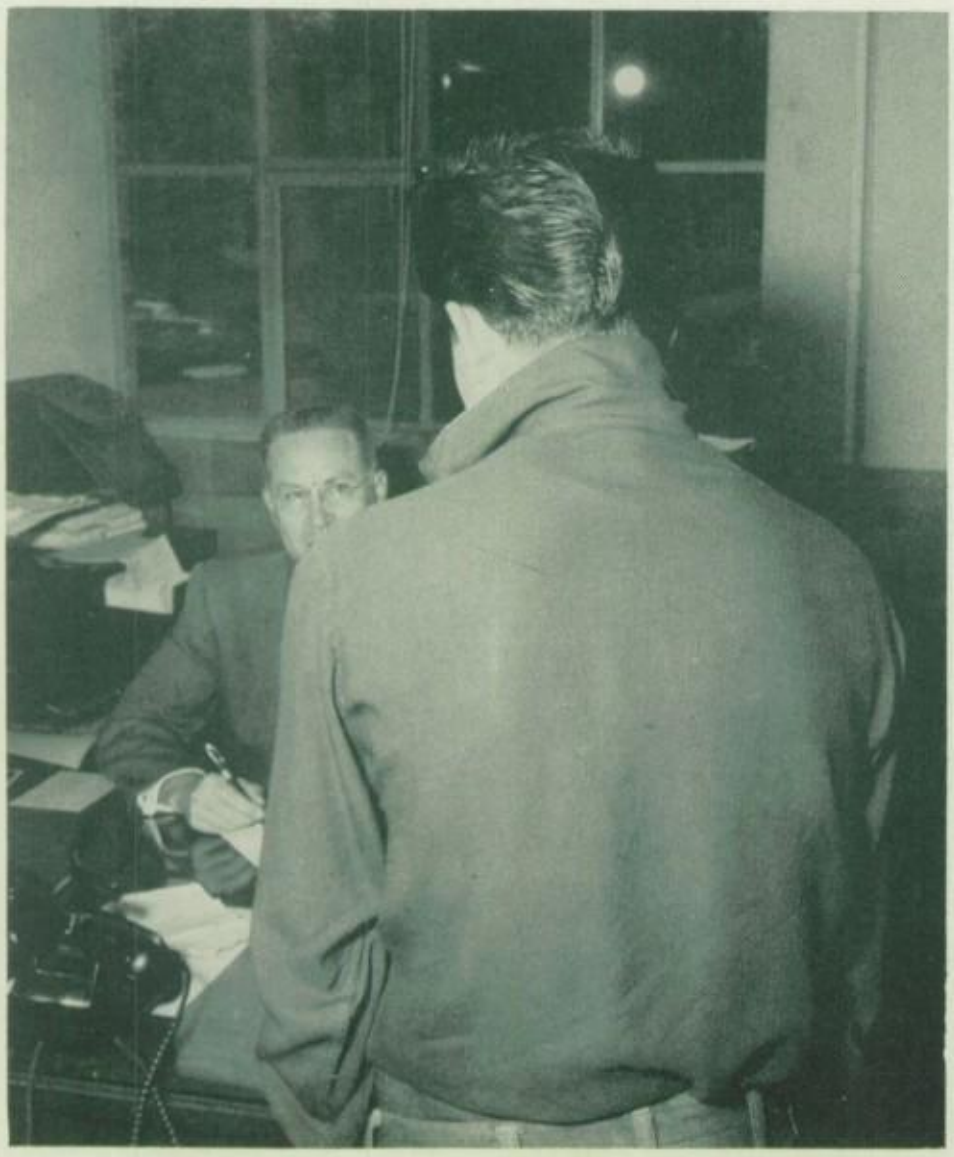
Administration

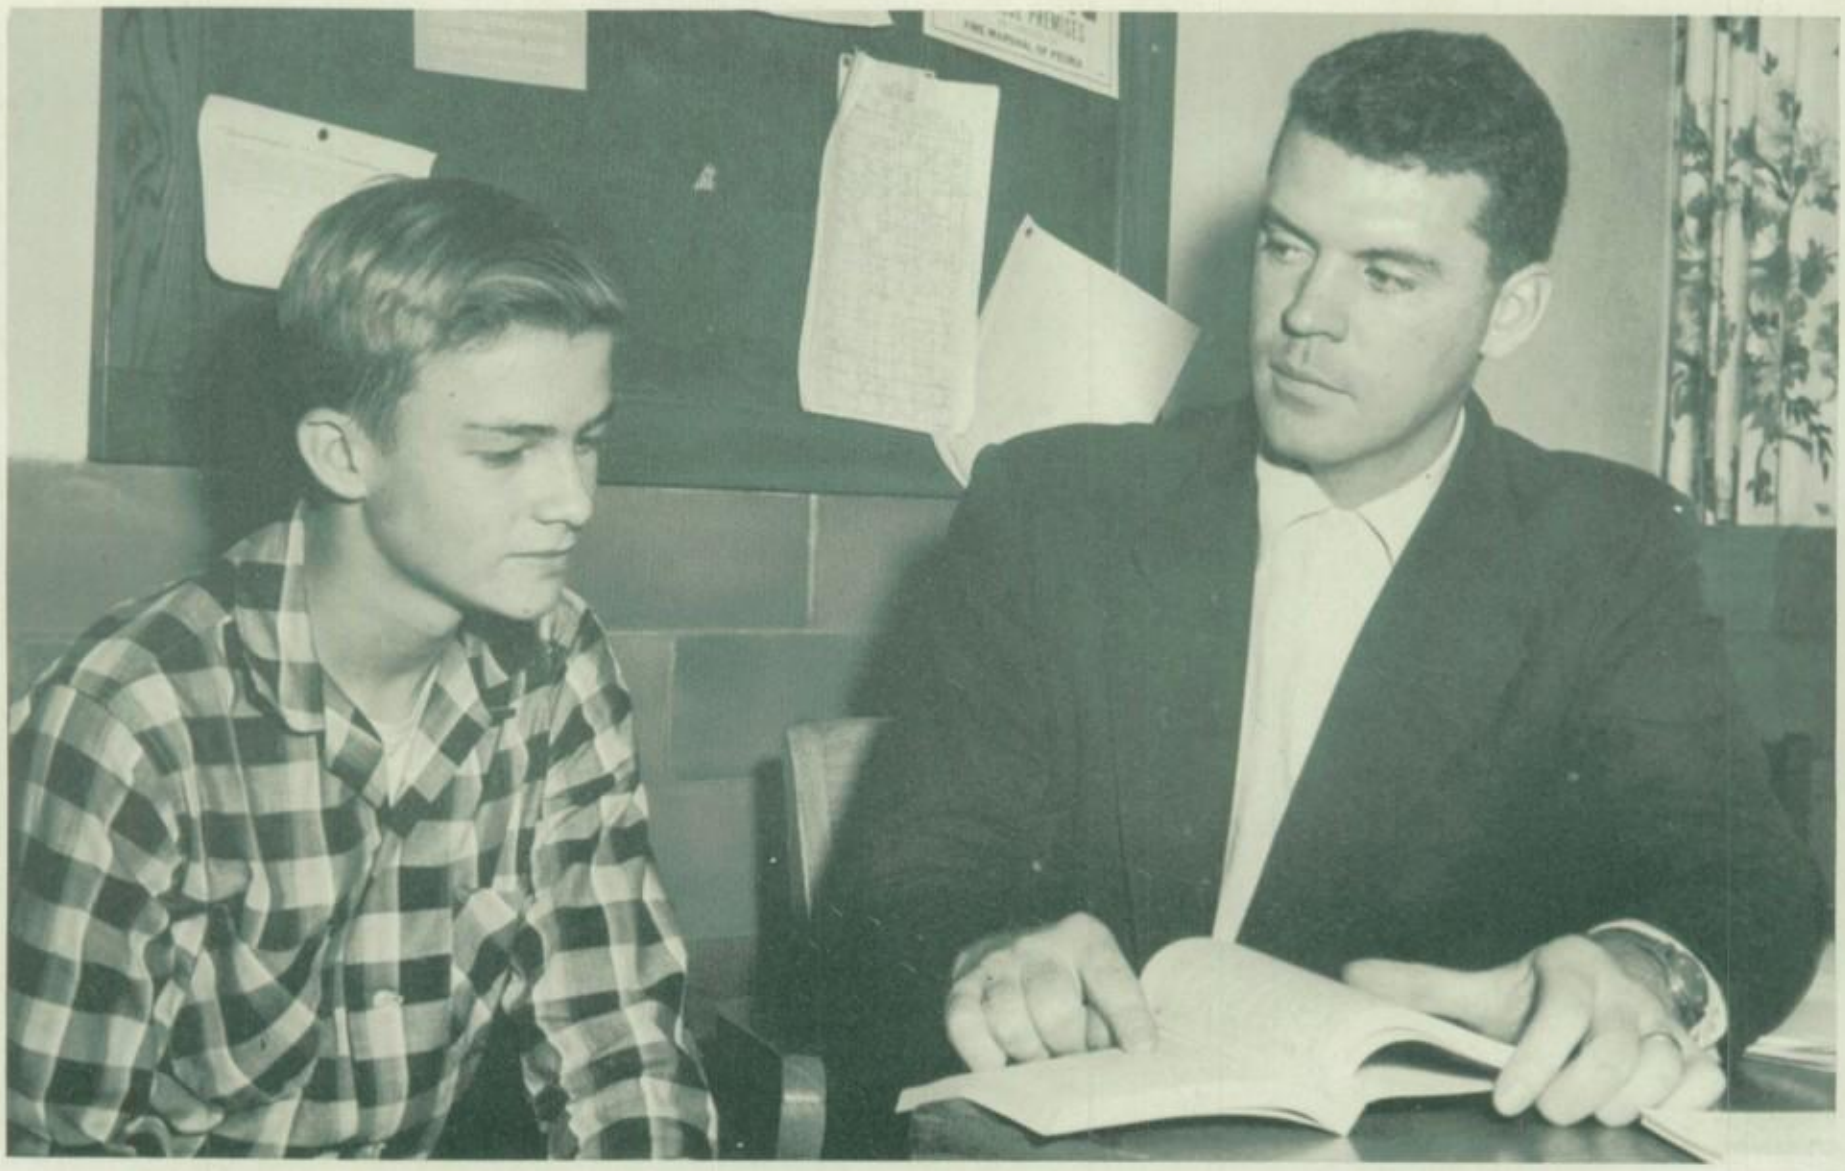
One of the busiest jobs at Woodruff is that of keeping the school in running order. Our principal is Mr. L. R. McDonald, shown here with his secretary, Miss Delores Monser.

Although he doesn't usually dress in this manner, Martin Firmand gives a good demonstration of how a 'problem student' dresses. He is shown here in the office with our assistant principal, Mr. Harvey Tucker, who handles such problems along with his many other duties.



The person who helps straighten out the problems of our seniors is Miss Emma MacDonald. In addition to being senior counselor, Miss MacDonald is also Dean of Girls.

All Money at Woodruff is capably handled by Genevieve Dean, Treasurer, top. Gladys Van Deventer is in charge of attendance, bottom right. Bottom left: Anna Breitenoeder is in charge of various records at Woodruff.



Mr. Mallory, top, and Miss Draegert, bottom, are two of our counselors. Their job consists of handling the problems of troubled students at Woodruff.

adding up *your future*

Mistake in arithmetic? NO. This is a formula showing the financial benefits of a college education based on today's salaries. It shows simply that for an investment of $2000 per year* and 4 years of your time you may net about $103,000 more in your lifetime than the man whose formal education stops at high school.

The typical high school graduate will earn $165,000 in his lifetime compared to the typical college graduate who will earn $268,000. These are average figures, and, of course, you can do much better, or much worse. Yet it points out one way you can help assure yourself of $3000 a year more than you could have earned otherwise.

This extra income can mean a better home for you . . . a complete education for your children . . . a full and more rewarding life for you and your family.

Other rewards a college education can help you achieve may be even more significant than a higher income: a deeper understanding of people . . . a greater ability to get along well with others . . . a fuller life, to mention but a few.

When you add up the years of your learning, remember that you are adding up your future. And education is an investment in the future which will return to you many advantages.

**Estimated average cost of attending college including tuition, room and board, books, and incidental expenses.*
